PAGA Y DECLARA

En la pestaña “**Pagos**” sección “**Deuda Tributaria**” podrás visualizar tus compromisos de pago. En la misma pestaña tendrás acceso a la información de las cuentas recaudadoras, realiza el pago y notifícalo en el sistema.

A 3D pie chart illustrating the distribution of data across four categories. The categories are represented by the following percentages: Red (20%), Orange (25%), Yellow (25%), and Light Blue (30%). The chart is composed of four segments, each with a different color and a slight 3D effect. The segments are arranged in a circle, with the Light Blue segment at the top, followed by Orange, Yellow, and Red at the bottom.

The image features a dynamic, abstract graphic design at the top. It consists of several overlapping curved bands in a variety of colors: red, orange, yellow, and teal. These curves are set against a white background and overlap in a way that suggests depth and movement. Below this graphic is a light blue horizontal banner. On the banner, the text 'Centro de Atención al Contribuyente' is written in a bold, black, sans-serif font. The banner has rounded ends and is positioned centrally below the abstract design.
